Easy-to-Use Gas Estimator

Stop worrying about gas prices that prevent you from visiting friends or family. Get the best prices at the perfect time. You can gain access to insider knowledge to save money by using the GasBuddy gas calculator. Find the cheapest gas stations on your route with this easy-to-use gas estimator for your trip. Discover how this simple tool can estimate your total trip cost, gas mileage, gallons used, and the savings you'll experience today. All you have to do is enter where you're going and what kind of car you drive, and GasBuddy will do the rest.

Need to change your driving plans mid-trip? Just hop on your GasBuddy App and enter your location to keep saving on gas. With over 150,000 gas stations nationwide in the GasBuddy network, you can get up-to-date changes on gas prices. Calculate the gas cost for your trip accurately and with ease by using GasBuddy.

Beyond the Trip Cost Calculator: How to Save on Gas Money by Using GasBuddy

Looking for the best deals and savings on gas around? Join the club and get a Pay with GasBuddy Fuel Saver Card and save even more. Sign up by linking your checking account to your GasBuddy card and save up to 25¢/gallon on every gallon of gas. Don't waste any more time driving farther to try and save money. With the GasBuddy App and discount card, you can save on the cost of gas for your trip no matter where you go.
